

**§ 708b.102 Special provisions for federal insurance.**

(a) Where the continuing credit union is federally-insured, the NCUSIF will assess a deposit and a prorated insurance premium (unless waived in whole or in part for all insured credit unions during that year) on the additional share accounts insured as a result of the merger of a nonfederally-insured or uninsured credit union with a federally-insured credit union.

(b) Where the continuing credit union is nonfederally-insured or uninsured but desires to be federally-insured as of the date of the merger, it must submit an application to the appropriate Regional Director when the merging credit union requests approval of the merger proposal. If the Regional Director approves the merger, the NCUSIF will assess a deposit and a prorated insurance premium (unless waived in whole or in part for all insured credit unions during that year) on any additional share accounts insured as a result of the merger.

(c) Where the continuing credit union is nonfederally-insured or uninsured and does not make application for insurance, but the merging credit union is federally-insured, the continuing credit union is entitled to a refund of the merging credit union's NCUSIF deposit and to a refund of the unused portion of the NCUSIF share insurance premium (if any). If the continuing credit union is uninsured, the NCUSIF will make the refund only after expiration of the one-year period of continued insurance coverage noted in paragraph (e) of this section.

(d) Where the continuing credit union is nonfederally-insured, NCUSIF insurance of the member accounts of a merging federally-insured credit union ceases as of the effective date of the merger.

(e) Where the continuing credit union is uninsured, NCUSIF insurance of the member accounts of the merging federally-insured credit union will continue for a period of one year, subject to the restrictions in section 206(d)(1) of the Act.

**§ 708b.103 Preparation of merger plan.**

(a) In any case where the continuing credit union is federally-insured and the merging credit union is nonfederally-insured or uninsured, the NCUA will determine the potential risk to the NCUSIF.

(b) If the NCUA finds that the merger proposal complies with the provisions of this Part and does not present an undue risk to the NCUSIF, it may approve the proposal subject to any other specific requirements as it may prescribe to fulfill the intended purposes of the proposed merger. For mergers of federal credit unions into federally-insured credit unions, if the NCUA determines that the merging credit union is in danger of insolvency and that the proposed merger would reduce the risk or avoid a threatened loss to the NCUSIF, the NCUA may permit the merger to become effective without an
